

The background of the cover is a dark, textured material. On the left, there is a large, embossed tree with a thick trunk and a canopy of leaves. To the right of the tree is a large, circular sunburst or starburst design, also embossed. The sunburst has many fine, radiating lines. In the center of the sunburst is a dark circle containing the text "'67" in a gold, serif font.

Because he is our friend...encouraging, advising, and contributing his warm understanding whenever we need him...

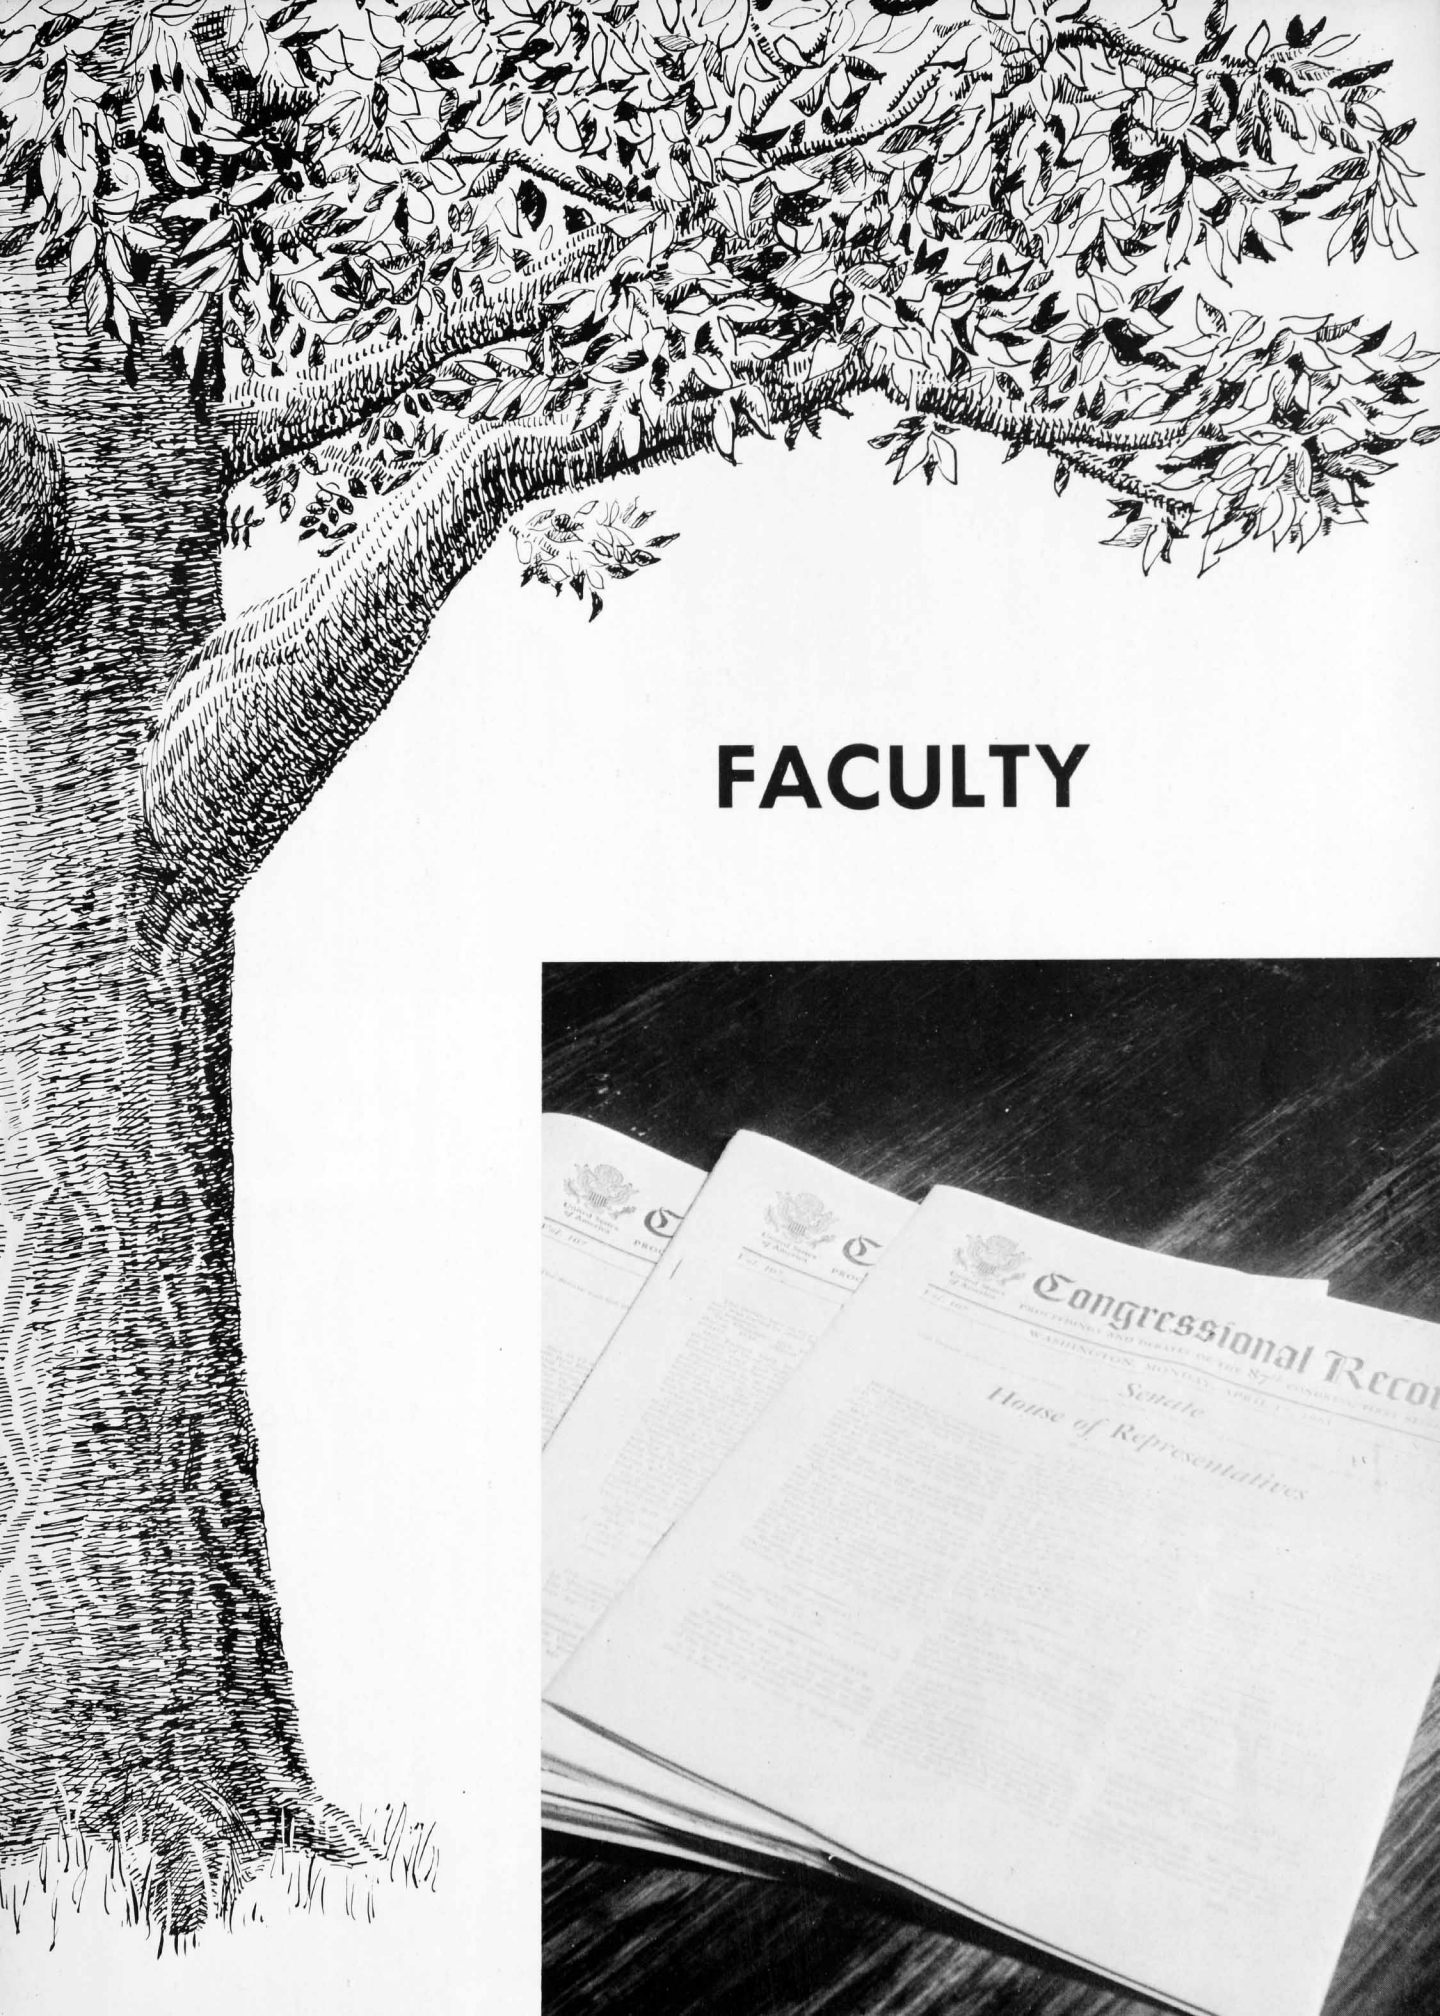

Because he has guided us enthusiastically and often lent us the strength for success...

Because he is a principal who arouses in his students a new faith in their ability, who instills a love of truth and honor, and who, by the sincere dedication of his abilities, has inspired those about him...

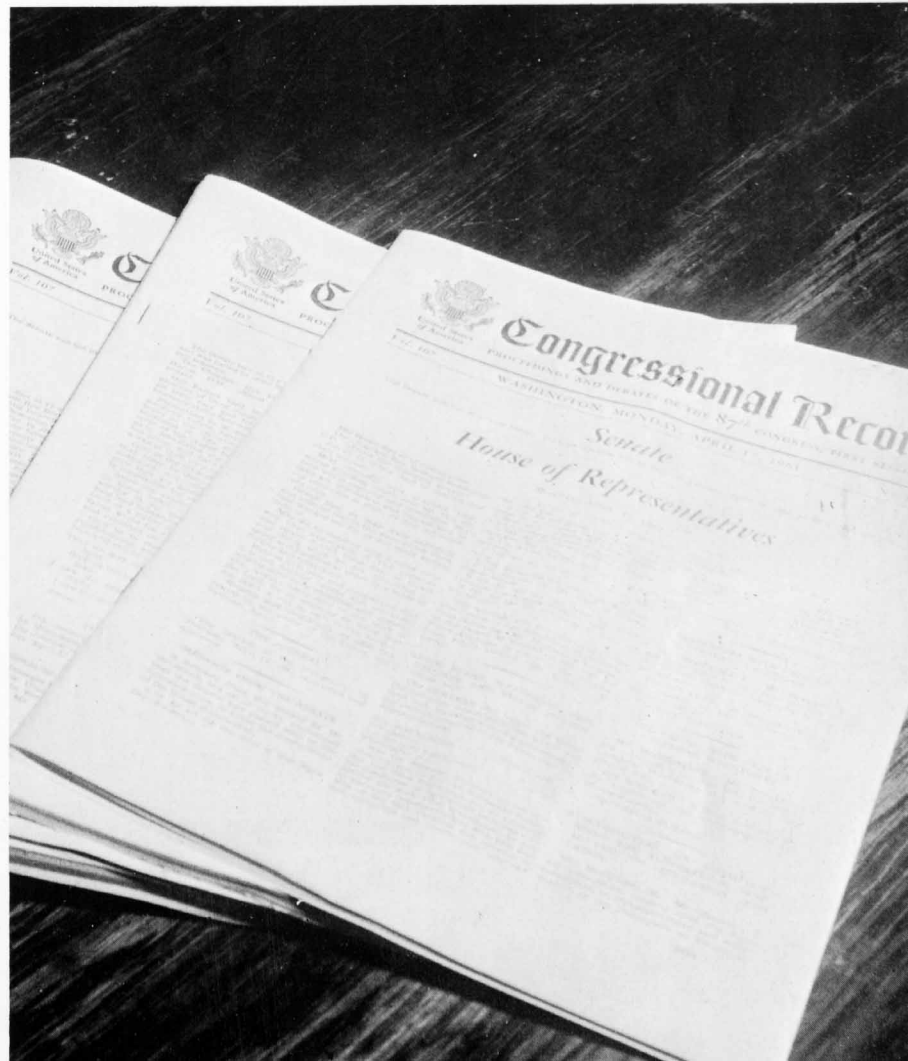

Because he is a principal who has co-operated with us and with our work on the year-book in every possible way...

We are exceedingly proud to dedicate this yearbook to...
